North Shore Dance Academy

Congratulations on being a member of NSDA Intensive program. As a member of this program you represent NSDA as an ambassador for the school. You will have a great year learning the finer details that will improve your dancing and your mind. Working as a team you will accomplish many goals. While striving for those goals as a team your character will be built as a team member, loyal friend and your hard work will pay off in the end. Teachers in the intensive program have expectations of you that are pretty simple but very important.

Be in class regularly without frivolous absences
Be on time and dressed properly for class
Work hard to be the best you can be.

What we want for you is what you should want for yourself. It's a team effort and teachers and students that work together with a great parental support system succeed in all areas. Being receptive to your teachers corrections is the best gift you can give yourself. Be an advocate in your dance training. Ask questions, learn and grow both as a dancer and as a young lady. Know that each lesson is helping you work closer to those personal goals that mean the most to you. Your teachers want to see you succeed and reach those goals too. Your success is our success!

Required Intensive dancer events

These events are mandatory and are expected from all intensive dancers. Failure to participate in these events may result in dismissal from your team

March 1-2 WCDE convention/competition. Boston

all teams sapphire and older will participate in all areas of this convention and competition

May: Typically the first weekend in May. All teams with the exception of Violet are required to attend this competition

June: Typically Father's Day Weekend. All Intensive dancers are required to attend this competition.

Recital: There is a possibility that we will be extending recital to a weekend instead of a day this year. As the studio grows there is a need to grow with the recital as well. There will be an intensive show on recital weekend like we had this past year. It was great to see all your routines in one place. Senior Company will perform all 4 routines and finale in all 4 shows. Some teams may be asked to perform certain routines in a second show to enhance the performance value of that show. You will know far in advance if your team has been chosen to perform in more than one show recital weekend. Although it does make for a longer weekend it should be considered an honor to be asked to perform more than once. We will make it as convenient for you as possible and you will be issued 2 complimentary tickets to the second show if we have asked you to perform a routine in more than one show.
