North Shore Dance Academy Platform 2013-2014

By Miss Tammy

I predict this year to be a very exciting year for North Shore Dance Academy. In August I attended a Studio Owner Conference in Scottsdale Arizona. With 950 studio owners from all over the world I was very moved by how many studios involve community projects and events that "give back" to those in need. I left that conference knowing that I want NSDA to be one of those studios. I really take seriously the fact that we are not only training dancers but we are also training "character". After all, our character is REALLY who we are.

My platform for NSDA this year is .

"Be inspired, so that we can inspire and recognize our blessings so that we can give back"

Throughout the year we will be finding ways to do just that. Keep an eye out for community events that you and your children can be a part of.

Things that you should know of right now that are a little off but you can keep in the back of your mind are

- The Beverly Santa Parade. Some student volunteers will be running this event and they will have a flyer and sign-up sheet for anyone interested in being a part of it. The event is always the Sunday after Thanksgiving. Students ages 7 and older can dance in the parade. Younger students are welcome to be the welcoming walking and waving committee (we may need some parents to help out with that). Each student that is involved will receive a sweatshirt to wear for this parade. There is no cost for the sweatshirt, it will be my contribution but participation in the event will require a \$5 per student fee that will be directly donated to a food bank for the Thanksgiving season. A great way to have fun with your friends, perform for a community and give to those who otherwise might not have that big Thanksgiving celebration.
- February is Andrea Rizzo Foundation month. For more information about this please go to www.dreamdream.org North Shore Dance Academy will be participating in two events in February to help raise money for this wonderful cause. More details to follow.
- Letters for the troops. In Early December we will be collecting Holiday letters and Cards to be mailed to wonderful men and women serving our country. We will let you know when the collection is in our November newsletter.

Be Inspired
